ANNOUNCEMENT

Patra: Scheduled construction works for the development of the natural gas distribution network

Enaon EDA, Hellenic Gas Distribution Company, subsidiary of Enaon, announces that construction works for the development of the natural gas distribution network in the city of Patras will be carried out **from Wednesday, 17 June to Friday, 10 July 2026**, on the following streets:

- **Solomou Street** (from Alexandrou Papanastasiou Street to Archbishop Ierotheos Street),
- **Iasiou Street** (from Selefkeias Street to Solomou Street),
- **Agiou Andreou Street** (from Agiou Nikolaou Street towards Norman Street up to Athinon Street).

From 10 July 2026, works will continue on Zaimi Street (from Agiou Andreou Street to Kanakari Street).

These construction works form part of the development of the natural gas distribution network in Patras, a major infrastructure project that upgrades the city's energy profile and delivers tangible benefits to residents and businesses, including reduced energy costs and enhanced environmental protection.

The project for the development of the natural gas distribution network in Patras is co-financed by company funds and resources from the NSRF 2021–2027 through the Operational Programme of Western Greece.
