ANNOUNCEMENT

Patras: Natural Gas Network Development Works and Traffic Regulations from September 9 to 30

Enaon EDA, Hellenic Gas Distribution Company, a subsidiary of Enaon, informs the public that from **Wednesday, September 9 through Wednesday, September 30, 2026**, construction works for the development of the natural gas distribution network will be carried out in the city of Patras, on the following streets:

- **Pente Pigadion** (from the intersection with Konstantinoupoleos Street to Kefallinias Street), from **September 9 to 18, 2026**,
- **Kefallinias** (from the intersection with Pente Pigadion Street to Korinthou Street), from **September 19 to 30, 2026**,
- **Dimitriou Gounari** (from the intersection with 25th Martiou Street to Sisini Street), from **September 9 to 17, 2026**,
- **Ileias** (from the intersection with Karatza Street to Souliou Street), from **September 10 to 19, 2026**,
- **Souliou** (from the intersection with Ileias Street to Smyrnis Street), from **September 21 to 30, 2026**,
- **G. Olympiou** (from the intersection with Solomou Street to Ileias Street), from **September 16 to 30, 2026**.

Due to the execution of the works, sections of the traffic lanes on the above-mentioned streets will be temporarily closed, resulting in traffic regulations and restrictions on vehicle circulation in certain areas.

The construction works are part of the project for the development of the natural gas distribution network in Patras, strengthening the city's energy infrastructure and creating the conditions for households and businesses to gain access to a more efficient and cleaner form of energy.

The project for the development of the natural gas distribution network in Patras is co-financed by Company funds and resources from ESPA 2021–2027, through the Operational Programme of Western Greece.
