ANNOUNCEMENT

Patras: Schedule of construction works for the development of the natural gas distribution network until 22 October

Enaon EDA, Hellenic Gas Distribution Company and a subsidiary of Enaon, informs the public that, from Monday, 21 September until Thursday, 22 October 2026, construction works will be carried out for the development of the natural gas distribution network in the city of Patras, on the following streets:

- **Archiepiskopou Ierotheou Street** (from the junction with Smyrnis Street up to Solomou Street), from 21 September 2026 to 3 October 2026,
- **Archiepiskopou Ierotheou Street** (from the junction with Solomou Street up to Maizonos Street), from 5 to 17 October 2026,
- **G. Olympiou Street** (from the junction with Ileias Street up to Solomou Street), from 28 September 2026 to 10 October 2026,
- **25th Martiou Street** (from the junction with Gounari Street up to D. Votsi Street), on 3 October 2026,
- **Korinthou Street** (from the junction with Zaimi Street up to Norman Street), from 23 September 2026 to 7 October 2026,
- **Korinthou Street** (from the junction with Norman Street up to Kefallinias Street), from 8 to 22 October 2026.

Due to the works, local traffic regulations and vehicle circulation restrictions will be implemented where required.

The construction works form part of the project for the development of the natural gas distribution network in Patras, which is co-financed by Company funds and resources from NSRF 2021-2027 programme through the Western Greece Operational Programme.

This is an important energy infrastructure project with long-term benefits for the local community, contributing to improved quality of life, reduced energy costs and the promotion of sustainable development in the area.
