ANNOUNCEMENT

Livadeia: Schedule of construction works for the development of the natural gas distribution network

Hellenic Gas Distribution Company Enaon EDA, a subsidiary of Enaon, informs the public that construction works for the development of the natural gas distribution network are currently being carried out in the city of Livadeia on the following streets: **Karagiannopoulou, Ploutarchou, Omirou, Spyropoulou, Papaspyrou, Pindarou, Filonos, Aristofanous, and Thoukydidou.**

The company thanks residents for their understanding and cooperation and is making every effort to complete the works by the end of October 2026, in accordance with the applicable technical requirements and with the aim of minimizing disruption.

These construction works form part of the project for the development of the natural gas distribution network in Livadeia, which is co-financed through company funds and NSRF 2021-2027 resources under the Central Greece Regional Operational Programme.

This is an important energy infrastructure project with long-term benefits for the local community, contributing to improved quality of life, reduced energy costs, and the promotion of sustainable regional development.

For additional information, citizens may visit Enaon's official website at: <https://ena-on.com/epikoinonia/>
